PROGRAM ACTIVITIES:

Community ConneXion is a program of the Sur Sagar Television and Radio Station. It is hosted by a staff person from the Punjabi Community Health Centre. It is a half an hour program which covers a variety of social and health issues pertaining to the Punjabi community.

In the past we have covered issues like Addiction, Family Violence, Counselling, Parenting, Health related issues – Diabetes, T.B., Heart Disease, other issues like Safety of children, and Help seeking behaviours to name a few.

We have also promoted other agencies programs to the Punjabi community. If you would like to promote your programs to the Punjabi Community, please contact us and we will gladly interview you or your agency representative.

For more information, please call: (905) 301-2978 and bmutta@rogers.com
